Mr. Stephen J. Frasca
Chairman
The Nashua Bank
188 Main Street
Nashua, NH 03060

Dear Mr. Frasca and fellow Board of Director members,

I am writing on behalf of The Telegraph Santa Fund to thank you for your generous contributions.

As you perhaps know, this year appears to be a significant challenge for many local residents who continue to struggle under the economic slowdown of the last couple of years. In fact, record need is reported to us by our partners, the Salvation Army and Nashua Pastoral Care Center.

The board's decision collectively as individuals to make contributions is particularly poignant, and I thank you all for your thoughtfulness. I continue to be overwhelmed by the generosity of this community; having The Nashua Bank lead in that example is heart-warming.

Please accept my best wishes for a wonderful holiday.

Sincerely,
